

UTD Proposal #4

5/20/2021

UTD/M-DCPS Negotiations 2021

ESSER funded class size and allocation enhancements:

In order to combat learning loss and address social and emotional well-being of our students, M-DCPS shall modify the K-12 staffing allocations for the 2021-22 and 2022-23 school years.

Allocations for teachers will be increased in order to lower average class sizes by one student in grades K-3, 4-8 and 9-12.

Allocations for Counselors, Social Workers and Psychologists shall be increased to:

- One Counselor per 250 students
- One Psychologist per 700 students
- One Social Worker per 250 students
