ARTICLE IX -- TEACHING ASSIGNMENT

Section 1. General Procedures

J. Employees who are required to split their work assignments between two or more work locations shall be considered itinerant. Employees who are required to split their work assignments between two or more work locations during the same workday shall be given reasonable travel time with pay.

Each itinerant bargaining unit member shall be assigned an appropriate workspace at school sites to meet the requirements of the assignment, including but not limited to room and restroom keys, a workstation, access to copiers, updated computer, internet access, secure storage space and necessary assessment materials. If a concern arises over itinerant assigned space, the UTD Steward or UTD Organizer, impacted itinerant bargaining unit member, and principal shall meet to determine resolution. If a resolution cannot be determined at the school site, UTD and M-DCPS School Operations shall meet to resolve any on-going disputes.
